THE DELOREANS REPERTOIRE 2025

We play your favourite party tunes from the 50s up to the present day. We're constantly adding to our repertoire, but this should give you an idea of the kind of thing you can expect.

We structure our sets so that the first hour is a good selection of all-round classics, with something for everyone. These "general medleys" have been created to keep the energy up by flowing seamlessly from each song to the next, just like a DJ set. We've been honing these medleys over the years, and there really is something for everyone.

In the second hour though, we can mix things up a bit, with some more genre-specific material, and/or more general "something for everyone" medleys too if you prefer.

For details on how we can put a set together to perfectly suit your event, please see the FAQs on the website, or contact nathan@thedeloreansband.com
